

## apple-rhubarb juice

### Ingredients

79,75 % apple juice \*, 20 % rhubarb juice\*, 0,25 % elderberry juice\*.  
The fruit ripens on the trees, is freshly squeezed, then bottled and lightly pasteurised.

\*from organic origin

### Characteristics

Pajottenlander apple-rhubarb juice has a light colour, with orange-pink accents.  
The aroma is fresh, sourishly sweet.

### Qualities

Apple juice works purifying, promotes digestion and is rich in vital substances.

Rhubarb thanks its sour taste to the presence of oxalic acid. Furthermore, rhubarb contains vitamins K and C.
